MANY WANT ROADS

COUNTY SEAT HIGHWAYS ARE EAGERLY SOUGHT FOR.

URGING THEIR CLAIMS

Delegates From Different Parts of the County Make Pilgrimages to County Seat to Extol Merits of Routes.

The county highway commissioners are busy these days, delegations of citizens calling on them to have them select their road as one of the county seat highways to be chosen. On Friday, a party from Conception Junction composed of Roy Fitzsimmons, cashier of the bank at that place, Gus King, J. W. Corcoran, Ed Allen and C. H. Meade came to Maryville in an auto to present their claims for the county seat road from Maryville to Albany. As County Highway Engineer Clary, who is a member of the commission, was not in the city, the party conferred with E. H. Bainum, also a member of the commission. S. H. Conlin of Barnard is the other member of the commission, and the party will see him to present their claims.

Conception Junction wants this road to go through their town and then to Old Conception then to Stanberry and on to Albany. They are doing some good work along this road. Ravenwood will also want the Albany road, but as that town is making more of an effort for the Grant City road, it is probable that Conception Junction stands a good chance.

John Gex, trustee of Hughes township, was also in the city Friday to see the highway commission. Hughes township is after the county seat road from Maryville to Oregon and they are doing all kinds of good road work in that township. Mr. Gex saw Mr. Bainum and also went to Barnard to see Mr. Conlin to present Hughes township claims.

Hughes township is having a contest on for this road in Skidmore. The Skidmore good roads booster, it is said, made a compromise proposition to the Hughes township good roads men, but it has not been accepted and probably will not be. A Skidmore delegation visited the county highway commission on Tuesday to present their claims.

Hughes township board is doing some fine work for their roads. They have a cement culvert machine and are considering buying a cement and gravel mixer. At the present time, there are not many wooden culverts and bridges to pass between Maryville and Graham as most of them are cement. The county court ordered cement culverts near the C. D. Bellows farm and also near the Embree farm where the late George P. Bellows was killed in an automobile accident. When these two culverts are in, there will be only one wooden bridge on the entire road from this city to Graham. This is not counting in the bridge over the White Cloud and over the Nodaway near Graham.

Hughes is one of the most active townships in the county on the good roads question and they will stand a good show to get the Oregon road.

Graham to Have Band.

Jesse S. Barrett of Skidmore has organized a band class of twelve from 14 to 18 years old in Graham. The following are the pupils and the instruments they play: Carl Thornton and Dale Boblet, altos; Ira Chappel, tuba; Jesse Chappel, baritone; Elwood Miller, James Spulin and Oma Smith, cornets; Clark Harmon, tenor; Claude Wray, clarinet; Estel Zancker, snare drum, and Earl Swigart, base drum.

TO FORM ORGANIZATION.

A Community Organization For the Purpose of Taking Up All Questions to Be at Harmony.

A community organization is to be formed in the Harmony neighborhood, east of Maryville, and at a meeting to be held Saturday night in the Harmony church, officers will be selected and plans discussed. The organization is for the purpose of considering all questions that will affect that community, such as good roads, meetings, lectures and entertainments. Good roads are to be sought.

Harmony neighborhood has been well advertised recently on account of their social center life in that community. They have already accomplished a great deal. On Monday they had B. H. Heidel, senior highway engineer of the national department at Washington, D. C., to go over their roads and to advise them how they could be better. Mr. Heidel gave them a great many pointers on the good roads question. He spoke highly of the work being done in that community along other lines since the people of that neighborhood are working together for the best interest of that district. Much of the credit for the community organization is due to Rev. C. R. Green, pastor of the Harmony church.

GAVE AN OPERATTA

EXERCISES OF TRAINING SCHOOL AND KINDERGARTEN.

A PICNIC IN THE PARK

Dinner for the Children and Teachers Marked Closing of the Normal's School for Little Chaps.

A large crowd of fond patrons and admiring friends gathered in the Normal training school chapel Friday morning to witness the closing exercises given by the children of the training school and kindergarten. The program consisted of an operatta, "Golden Gift," in three scenes, and the manner in which the little tots performed was indeed a credit to themselves and to Miss LaRue Kemp, supervisor of music in the training school, who had charge of the affair.

At the close of the operatta President Richardson made a few brief remarks to the audience. At the noon hour, the children and teachers of the training school and kindergarten, went to Chautauqua park for a picnic dinner.

Following are the names of the children who participated in the morning's program and the parts they took: Ora Brunson, Father Time; Opal Moss, Vesper; Naomi Hawley, Twilight; Gladys Sewell, Curfew; Gladys Petree, Evening Star; Ralph Wilson Eversole, West Wind; Elizabeth Flynt, Alta Huffine and Laura Margaret Raines were Sunbeams; Audrey Stiwalt and Sallie Moore were Butterflies; Ralph Snoderly, Court Landon and Kenneth Brown were Bumble Bees. The eight picnic children who had speaking parts were: Mabel Raines, Evelyn Raines, Nona Willets, Clarence Huffine, Charlotte Whelchel, Josephine Miller, Inez Wright and Annette Stiwalt. The choruses were sung by the training school chorus.

ROBBERY AT SHERIDAN.

That Place Was Visited Again Friday Morning and Safe Blown Up in Hardware Store.

Sheridan was again visited by robbers Friday morning about 2 o'clock, which makes the third attempt to secure money from business houses of that place within the last few weeks. The robbers first visited the Scott Mercantile store, but the only things missed were two bars of soap and six bananas. The next place was the Watson hardware and furniture store. Dynamite was used to blow up the safe, but no money was secured, as there was nothing in the safe except valuable papers, which were entirely ruined. It seems that three attempts were made before the safe was blown up. People living near the store were awakened by two explosions that sounded like pistol shots. The third was much louder and shook the entire building and those standing near. The safe was twisted until it was broken and fell to pieces upon the floor.

When the explosions were first heard, it was supposed that the bank was being robbed, and everybody ran to that place, which enabled the robbers to make their escape from the Watson store.

Bloodhounds from Waterloo Ia., will arrive at Sheridan on the Friday evening train and will be put on the track of the robbers at once.

SUING THE WABASH.

R. P. Hosmer Asked For $200 For Carelessness of the Railroad Company in Shipping Cattle.

A suit was filed Friday for the June term of circuit court by F. P. Robinson, attorney for R. P. Hosmer against the Wabash. The petition states that the plaintiff shipped 55 head of cattle from South Omaha to Maryville and that owing to the bad condition of the car, there being a hole through the floor and one door could not be securely fastened, two of the cattle died and two more were badly injured. The suit is for $200.

To National Encampment.

Of the eighteen delegates selected at the State G. A. R Encampment held at St. Joseph on Thursday, to attend the encampment of the G. A. R. next fall in Chattanooga, Tenn., John M. Evans of Maryville was among the number. There were thirty-six candidates.

160 AT BANQUET

METHODIST BROTHERHOOD FEAST AT THE CHURCH.

GREAT MUSIC PROGRAM

Quartets, Trios and Duets, With Violin and Vocal Solos, Filled the Later Hours With Pleasure.

One hundred and sixty were in attendance at the Brotherhood banquet at the First M. E. church Thursday evening. A sumptuous banquet in five courses was served to the Brotherhood and their ladies, and no previous dinner at the place has excelled the one on this occasion. There were no after-dinner speeches, as has been the rule heretofore, but a general social time was enjoyed by everyone, while the Maulding orchestra discoursed its sweetest music during the entire time.

At 8 o'clock the banqueters gathered in the auditorium for the artist's recital given by Mrs. H. F. Stapel, Miss Gertrude Wyatt and Miss Merle Sly of Rock Port, Mr. G. Adolph Bock of St. Joseph and Rev. Gilbert S. Cox.

The contralto solo, Schubert's serenade with violin obligato, and the encore number, by Mrs. Stapel, and the baritone solo by Mr. Cox, "Lullaby" from Jocelyn, with violin obligato, were the star numbers on the program.

The music of the program was of a high standard and of great diversity, consisting of quartet accompanied and a capella, trios and duets, violin and vocal solos. The singing of the quartet numbers was a very pleasant feature of the program. The voices were well balanced and of harmonious coloring. The ensemble singing revealed their musical acquaintance.

Miss Gertrude Wyatt, a lyric soprano, sang with pleasing effect the "Spring Song" by Weil. Her voice was well adapted to the other demands of the program.

Mrs. H. F. Stapel, the contralto, has many friends in musical circles of the state and all were glad of the opportunity of hearing her. She is a thorough musician, trained in the great schools of Germany, and revealing a mastery in her singing and playing. Her voice, personality and training unite in making her an exceptional artist.

Mr. Bock is no stranger in Maryville and was given a very cordial welcome. While his playing is skillful, of exceptional technic, the most marked feature is his soulful interpretation and pure tone.

It was very evident that the audience desired to express their appreciation of Mr. Cox's effort in furthering every interest of the community including the art of music. Having been brought up in a musical atmosphere and also had the advantages of a wide study and experience, guarantees musicianship. His truly beautiful voice lends itself unusually well to serious, worth-while music, that to hear him is not only a pleasure, but a benefit.

Miss Sly's presence made the ladies' trios possible. She also was the accompanist for the quartets and did very satisfactory work.

The quartet will give a concert tonight at Burr Oak Methodist church near Skidmore.

NORMALS TOSS AWAY ANOTHER.

Poor Fielding by Locals Results in Defeat at the Hand of Tarkio.

"A comedy of errors" would be a very fitting for the performance staged at the Normal baseball field Thursday afternoon under the name of a baseball game in which the Normal team handed the game to Tarkio college because of erratic performance in the field. The final result of the agony was 8 to 2.

"Lefty" McDougal started on the mound for the locals and held the enemy safely the first round, but the Tarks counted four runs in the second frame on two hits and a number of errors by the home guard. The enemy got three more in the fourth and their last count in the seventh, all four of which were due to punk defensive work by the teachers.

The Normals had several swell chances to count early in the battle, but not until the eight inning were they able to register. Long, pinch-hitting for McDougal, delivered with a double in left, and he counted on Perrin's bingle to center. Perrin advanced to second on McKee's hit and scored a moment later when Adams hit safely through third. This was the extent of the Pedagogues' run getting. Wilson pitched the last inning for the Normals and was only saved from being scored on by a double play which he started himself.

Batteries: Tarkio, Hawthorne and Graham; Normal, McKee, McDougal and Wilson.

POLITICAL NOTES.

Score another point for the State Utilities Board. Up in Jackson county the telephone companies doubled the cost of toll services and placed an unnecessary burden upon thousands of patrons. A protest was filed with the board at Jefferson City. A prompt investigation followed and as a result the companies were forced to restore the old rates. Without the consent of this board, which was created by the Democratic legislature to take the place of the railroad and warehouse commissioners, no public service corporation can increase its rates in Missouri. Its mission is to stand between the private citizen and corporate greed and it is going to save millions of dollars and get better service for the taxpayers of the state. The first month after its organization it collected almost enough money from Missouri corporations to pay the salaries of its members for one year.

Missourians are hereby authorized to take a day off and enjoy an old-time laugh over an effort that is being made to make them believe their state taxes will be raised on account of appropriations made by the recent legislature. It is a laughing matter because all Missourians, except those who inhabit the home for the feeble-minded, are wise to the fact that state taxes cannot be raised by legislative enactment or by any other method except a direct vote of the people. Besides, there will be ample revenues to pay all bills authorized by the legislature.

Mrs. A. W. Long and son, Roy Ellis, of Blanchard were city visitors Friday.

Two Granddaughters Will Graduate.

Mrs. Richard Conway, living west of town, has just received an invitation to attend the commencement program of two of her granddaughters, Miss Besse Estelle Sechrist of Lawton, Okla., who will graduate in a class of twenty-three from the high school of that place. Their class motto is certainly worth mentioning, "Grammar is Our Failing." Miss Sechrist has quite a number of friends among the young people of Maryville, as she spent two summers at her grandmother's home, "The Cedars," and entertained her friends there. The other granddaughter who will be graduated in June is Miss Margaret Conway, daughter of Mr. and Mrs. Joseph Conway of Twin Falls, Idaho. Miss Conway is the class artist. Her class issued the annual, called "The Coyote," containing 111 pages, and the sketching she did for it is decidedly clever and artistic. She also has two poems in the annual, placed there by her instructors for their literary merit. Miss Conway has not visited Maryville since she was a little girl of eight years. Besides the two granddaughters to be graduated, Mrs. Conway has a great-niece in Kansas City who will graduate from one of the high schools of that city. She is Jessie Clayton Johnson, daughter of Judge James M. Johnson of the Kansas City Court of Appeals.

Gray gave several piano numbers. Luncheon was served by the hostess. There were three out-of-town guests, Mrs. Ernest Hogg of Centralia, Kan., a sister of Mrs. Moody, Mrs. C. F. Joseph Hilgert Injured.

Joseph Hilgert, who formerly was a resident of Maryville, was severely injured in Tipton, Mo., Thursday. Today's Kansas City Times had the following: Joseph Hilgert was injured severely by a vicious horse at his home in Tipton yesterday. Tuesday the horse, which was considered a pet and had been owned by him for many years, kicked Hilgert severely on the arm. Last night the horse rushed at Hilgert with open mouth, grabbed him by the shoulder, shaking him, then flung him against the fence and ran off about fifty yards and fell dead. It is believed that the horse was suffering from hydrophobia. Hilgert is in a dangerous condition.

Has Spinal Meningitis.

Miss Rebecca Miller, formerly of Maryville, is critically ill of spinal meningitis at the home of her sister, Mrs. Marvin Boyle of St. Louis. Miller of the Bee Hive store. Miss Miller was a member of the Philathea class of the Christian Church Bible class of which Mr. Miller is teacher.

TO OPEN NEW DITCH.

Six Miles of the Nodaway Drainage Ditch to Be Lowered.

The Nodaway drainage board met in Burlington Junction Wednesday afternoon to consider a proposition from C. H. Sternberg & Sons regarding the six miles of new ditch which has failed so far to do its part towards making the water of the Nodaway follow a straight course, says the Burlington Junction Post.

The board is retaining $6,700 of the contract price until the new ditch will carry the water its entire length.

The Sternbergs proposed to lower the ditch to a normal stage by the use of dynamite if the board would pay them the amount being held up and an additional $250 to defray the expense which the work will involve and for which the district is responsible. The plan is to place dynamite in two rows in the bed of the ditch and the explosion of the first stick would discharge the rest. After carefully considering the proposition the board decided to accept if the contractors will guarantee to lower the ditch to the original grade, instead of the normal stage.

The part of the new ditch which has failed to give satisfaction extends from above the C. B. & Q. bridge north of Burlington Junction to the Carter farm three and a half miles south of town. The banks are sliding into the bottom of the ditch in places and should this continue much longer it will be almost impossible to open the new channel. It was thought that the high stage of the river this spring would throw sufficient water through the new ditch to open it, but this has not been successful.

Are Located at Seward.

A few former Nodaway county people were in the tornado that struck Seward, Nebr., Wednesday but all of them escaped with their life. Ten lives were lost, thirty injured and more than a third of the town swept away in the storm. The Nodaway county people located at Seward or near that town are: Frank Woods, brother-in-law of W. J. Falls of this city; David Carter; Harry Wray, brother of Verne Wray of Maryville; Mr. Smith, editor of the Seward Democrat, who is a son of Mrs. Smith of Pickering.

NEEDFUL KNOWLEDGE.

Maryville People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are many. Disordered kidneys often excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back may ache, headaches and dizzy spells may occur and the victim is often weighted down by a feeling of languor and fatigue. Neglect these warnings and there is danger. Delay often proves fatal.

You can use no better endorsed kidney remedy than Doan's Kidney Pills. Here's Maryville proof of their merit.

Mrs. C. McMonigal, 706 East Second street, Maryville, Mo., says. "I suffered for years from disordered kidneys and at times the pain in my back was so bad that I had to scream. I couldn't rest well and had dizzy spells Since I used Doan's Kidney Pills I have felt better in every way. I can certainly recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, New York, sole agents for the United States.

POSTPONE PROBE INTO LABOR WAR

Kern's Resolution Fails to Come to Vote in Senate.

QUESTION TO COME UP LATER.

Debate Whether Governor His Right to Create Military Zone Grows Hot in Upper Chamber — Borah Denounces Action.

Washington, May 16.—The senate listened for an hour and a half to a discussion of the right of West Virginia's governor to establish a military zone in his state, to set up martial law there and to say that prisoners brought before the military tribunal, created by him, should be tried by it instead of in the civil courts. Senator Kern's resolution for an investigation of conditions in West Virginia coal fields, which brought forth the argument, failed once more to come to a vote, Mr. Kern and Senator Goff, the leaders of the fight, agreeing that it be laid aside temporarily, that debate on the question of tariff hearings might be continued. The resolutions come up again at the next session.

"Mother" Jones in Gallery.

When consideration of the resolution was continued, "Mother" Jones and a number of West Virginia labor union officials occupied seats in the senate gallery and followed closely the argument made by Senator Goff, who engaged in a spirited clash with Senator Borah, author of the original resolution of inquiry into the West Virginia situation, introduced at the last session.

The discussion concerned the authority of the governor of West Virginia to issue an order declaring martial law, which closed the civil courts and substituted therefor the court martial. Senator Goff maintained that this act was upheld by previous decisions of the supreme court of the United States and the supreme court of Pennsylvania.

"If in such cases," Senator Borah declared, "the governor of the state can close the doors of the courts and deny the right of trial by jury when the courts are able to proceed with cases under their jurisdiction and we the United States, are forced to sit idly by and see it proceed, we become Mexicanized in forty-eight hours."

Says Governor Has Right.

"If there is a state of insurrection,' Senator Goff replied, "the governor has the authority to put the whole state under martial law, with the commander in chief to control it, by his own will. That is the law of war."

"There is not any power in this government," said Senator Borah, "to supplant the civil courts with military law."

FOR ARMED INTERVENTION

Missionary Says Uncle Sam Should Restore Peace in Mexico.

St. Louis, May 16.—"Armed intervention by the United States is the only thing, in my judgment, that will restore peace in Mexico," said Missionary R. P. Mahon of Morelia, state of Michoacan, Mexico, in an address before the Southern Baptist convention.

"I have been unable to return to my work in Mexico for the last two months on account of revolutions and revolutions against revolutionists. The country is in chaos and without the hope of getting together if led by any of its own people.

"A governor of a prominent state told me he hoped we missionaries would establish a school in every village and town in his dominion, as he believed the missionaries schools will redeem Mexico. The bible is not known to the common people of Mexico and many of the priests don't allow the people to read the bible."

TRAIN RUNS OVER CHILD ON TRACK; NOT HURT.

St. Joseph, Mo., May 16.—Although but four years old, Mary Whitten, daughter of Mr. and Mrs. Charles Whitten of this city, saved herself from death here by lying flat on the railroad ties when she saw a freight train approaching so rapidly that she was unable to jump from the track before being struck. The engine and twelve cars passed over her, but she received only a slight scalp wound.

Auto Craze Bankrupts Buggy Firm.

Kansas City, May 16.—To the growing popularity of automobiles, officers of the Columbus Buggy company ascribe the difficulties of their firm against which the People's State bank of Detroit, Mich., filed bankruptcy proceedings here. The company is capitalized at $125,000. The Detroit bank holds notes due against it to the value of $5,000.

Metal Plant Closed.

Buffalo, May 16.—The Crosby company, metal stamping works, locked out 1,000 machinists and closed down its plant because 200 pressmen, who struck Monday, picketed the works. The company issued a statement that it would not open its doors until the local labor difficulties were settled.

HEALTHY WOMEN SCARCE.

Is the Verdict of Scientific Investigation.

How many women do you know who are perfectly well, strong and healthy as a woman should be? They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and devitalized.

Women are so active nowadays, and so much is expected of them, that they constantly overdo and suffer from headache, backache, nervousness and kindred ills.

Such women need Vinol, our delicious cod liver and iron tonic without oil, which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Mrs. W. G. Ritchie, Patchogue, N. Y., says: "Vinol is certainly the best tonic I have ever taken. I was run down and tired all the time, but, thanks to Vinol, I am feeling all right again."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.—Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

FALLING HAIR.

Many People Have a Simple Way of Stopping It.

It was Dr. Sangerbond, of Paris, who first discovered that dandruff and falling hair were caused by a microbe.

And now that Parisian Sage, the remedy that kills the dandruff germ is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To every reader of the Democrat-Forum who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itchiness, we make this offer:

Parisian Sage is sold by druggists everywhere, for 50 cents a large bottle. It is an ideal, daintily perfumed hair dressing, free from grease and stickiness, and will cause hair to grow lustrous and luxuriant. Sold and guaranteed by the Koch Pharmacy.—Advertisement.

VOLUME 3. MARYVILLE, MISSOURI, FRIDAY, MAY 16, 1913. NO. 298.

MANY WANT ROADS

COUNTY SEAT HIGHWAYS ARE EAGERLY SOUGHT FOR.

URGING THEIR CLAIMS

Delegates From Different Parts of the County Make Pilgrimages to County Seat to Extol Merits of Routes.

The county highway commissioners are busy these days, delegations of citizens calling on them to have them select their road as one of the county seat highways to be chosen. On Friday, a party from Conception Junction composed of Roy Fitzsimmons, cashier of the bank at that place, Gus King, J. W. Corcoran, Ed Allen and C. H. Meade came to Maryville in an auto to present their claims for the county seat road from Maryville to Albany. As County Highway Engineer Clary, who is a member of the commission, was not in the city, the party conferred with E. H. Bainum, also a member of the commission. S. H. Conlin of Barnard is the other member of the commission, and the party will see him to present their claims.

Conception Junction wants this road to go through their town and then to Old Conception then to Stanberry and on to Albany. They are doing some good work along this road. Ravenwood will also want the Albany road, but as that town is making more of an effort for the Grant City road, it is probable that Conception Junction stands a good chance.

John Gex, trustee of Hughes township, was also in the city Friday to see the highway commission. Hughes township is after the county seat road from Maryville to Oregon and they are doing all kinds of good road work in that township. Mr. Gex saw Mr. Bainum and also went to Barnard to see Mr. Conlin to present Hughes township claims.

Hughes township is having a contest on for this road in Skidmore. The Skidmore good roads booster, it is said, made a compromise proposition to the Hughes township good roads men, but it has not been accepted and probably will not be. A Skidmore delegation visited the county highway commission on Tuesday to present their claims.

Hughes township board is doing some fine work for their roads. They have a cement culvert machine and are considering buying a cement and gravel mixer. At the present time, there are not many wooden culverts and bridges to pass between Maryville and Graham as most of them are cement. The county court ordered cement culverts near the C. D. Bellows farm and also near the Embree farm where the late George P. Bellows was killed in an automobile accident. When these two culverts are in, there will be only one wooden bridge on the entire road from this city to Graham. This is not counting in the bridge over the White Cloud and over the Nodaway near Graham.

Hughes is one of the most active townships in the county on the good roads question and they will stand a good show to get the Oregon road.

Graham to Have Band.

Jesse S. Barrett of Skidmore has organized a band class of twelve from 14 to 18 years old in Graham. The following are the pupils and the instruments they play: Carl Thornton and Dale Boblet, altos; Ira Chappel, tuba; Jesse Chappel, baritone; Elwood Miller, James Spulin and Oma Smith, cornets; Clark Harmon, tenor; Claude Wray, clarinet; Estel Zancker, snare drum, and Earl Swigart, base drum.

TO FORM ORGANIZATION.

A Community Organization For the Purpose of Taking Up All Questions to Be at Harmony.

A community organization is to be formed in the Harmony neighborhood, east of Maryville, and at a meeting to be held Saturday night in the Harmony church, officers will be selected and plans discussed. The organization is for the purpose of considering all questions that will affect that community, such as good roads, meetings, lectures and entertainments. Good roads are to be sought.

Harmony neighborhood has been well advertised recently on account of their social center life in that community. They have already accomplished a great deal. On Monday they had B. H. Heidel, senior highway engineer of the national department at Washington, D. C., to go over their roads and to advise them how they could be better. Mr. Heidel gave them a great many pointers on the good roads question. He spoke highly of the work being done in that community along other lines since the people of that neighborhood are working together for the best interest of that district. Much of the credit for the community organization is due to Rev. C. R. Green, pastor of the Harmony church.

GAVE AN OPERATTA

EXERCISES OF TRAINING SCHOOL AND KINDERGARTEN.

A PICNIC IN THE PARK

Dinner for the Children and Teachers Marked Closing of the Normal's School for Little Chaps.

A large crowd of fond patrons and admiring friends gathered in the Normal training school chapel Friday morning to witness the closing exercises given by the children of the training school and kindergarten. The program consisted of an operatta, "Golden Gift," in three scenes, and the manner in which the little tots performed was indeed a credit to themselves and to Miss LaRue Kemp, supervisor of music in the training school, who had charge of the affair.

At the close of the operatta President Richardson made a few brief remarks to the audience. At the noon hour, the children and teachers of the training school and kindergarten, went to Chautauqua park for a picnic dinner.

Following are the names of the children who participated in the morning's program and the parts they took: Ora Brunson, Father Time; Opal Moss, Vesper; Naomi Hawley, Twilight; Gladys Sewell, Curfew; Gladys Petree, Evening Star; Ralph Wilson Eversole, West Wind; Elizabeth Flynt, Alta Huffine and Laura Margaret Raines were Sunbeams; Audrey Stiwalt and Sallie Moore were Butterflies; Ralph Snoderly, Court Landon and Kenneth Brown were Bumble Bees. The eight picnic children who had speaking parts were: Mabel Raines, Evelyn Raines, Nona Willets, Clarence Huffine, Charlotte Whelchel, Josephine Miller, Inez Wright and Annette Stiwalt. The choruses were sung by the training school chorus.

ROBBERY AT SHERIDAN.

That Place Was Visited Again Friday Morning and Safe Blown Up in Hardware Store.

Sheridan was again visited by robbers Friday morning about 2 o'clock, which makes the third attempt to secure money from business houses of that place within the last few weeks. The robbers first visited the Scott Mercantile store, but the only things missed were two bars of soap and six bananas. The next place was the Watson hardware and furniture store. Dynamite was used to blow up the safe, but no money was secured, as there was nothing in the safe except valuable papers, which were entirely ruined. It seems that three attempts were made before the safe was blown up. People living near the store were awakened by two explosions that sounded like pistol shots. The third was much louder and shook the entire building and those standing near. The safe was twisted until it was broken and fell to pieces upon the floor.

When the explosions were first heard, it was supposed that the bank was being robbed, and everybody ran to that place, which enabled the robbers to make their escape from the Watson store.

Bloodhounds from Waterloo Ia., will arrive at Sheridan on the Friday evening train and will be put on the track of the robbers at once.

SUING THE WABASH.

R. P. Hosmer Asked For $200 For Carelessness of the Railroad Company in Shipping Cattle.

A suit was filed Friday for the June term of circuit court by F. P. Robinson, attorney for R. P. Hosmer against the Wabash. The petition states that the plaintiff shipped 55 head of cattle from South Omaha to Maryville and that owing to the bad condition of the car, there being a hole through the floor and one door could not be securely fastened, two of the cattle died and two more were badly injured. The suit is for $200.

To National Encampment.

Of the eighteen delegates selected at the State G. A. R Encampment held at St. Joseph on Thursday, to attend the encampment of the G. A. R. next fall in Chattanooga, Tenn., John M. Evans of Maryville was among the number. There were thirty-six candidates.

160 AT BANQUET

METHODIST BROTHERHOOD FEAST AT THE CHURCH.

GREAT MUSIC PROGRAM

Quartets, Trios and Duets, With Violin and Vocal Solos, Filled the Later Hours With Pleasure.

One hundred and sixty were in attendance at the Brotherhood banquet at the First M. E. church Thursday evening. A sumptuous banquet in five courses was served to the Brotherhood and their ladies, and no previous dinner at the place has excelled the one on this occasion. There were no after-dinner speeches, as has been the rule heretofore, but a general social time was enjoyed by everyone, while the Maulding orchestra discoursed its sweetest music during the entire time.

At 8 o'clock the banqueters gathered in the auditorium for the artist's recital given by Mrs. H. F. Stapel, Miss Gertrude Wyatt and Miss Merle Sly of Rock Port, Mr. G. Adolph Bock of St. Joseph and Rev. Gilbert S. Cox.

The contralto solo, Schubert's serenade with violin obligato, and the encore number, by Mrs. Stapel, and the baritone solo by Mr. Cox, "Lullaby" from Jocelyn, with violin obligato, were the star numbers on the program.

The music of the program was of a high standard and of great diversity, consisting of quartet accompanied and a capella, trios and duets, violin and vocal solos. The singing of the quartet numbers was a very pleasant feature of the program. The voices were well balanced and of harmonious coloring. The ensemble singing revealed their musical acquaintance.

Miss Gertrude Wyatt, a lyric soprano, sang with pleasing effect the "Spring Song" by Weil. Her voice was well adapted to the other demands of the program.

Mrs. H. F. Stapel, the contralto, has many friends in musical circles of the state and all were glad of the opportunity of hearing her. She is a thorough musician, trained in the great schools of Germany, and revealing a mastery in her singing and playing. Her voice, personality and training unite in making her an exceptional artist.

Mr. Bock is no stranger in Maryville and was given a very cordial welcome. While his playing is skillful, of exceptional technic, the most marked feature is his soulful interpretation and pure tone.

It was very evident that the audience desired to express their appreciation of Mr. Cox's effort in furthering every interest of the community including the art of music. Having been brought up in a musical atmosphere and also had the advantages of a wide study and experience, guarantees musicianship. His truly beautiful voice lends itself unusually well to serious, worth-while music, that to hear him is not only a pleasure, but a benefit.

Miss Sly's presence made the ladies' trios possible. She also was the accompanist for the quartets and did very satisfactory work.

The quartet will give a concert tonight at Burr Oak Methodist church near Skidmore.

DISTRICT LEAGUE CONVENTION.

Meeting of Young People Will Be Held With Buchanan Street Church of Maryville June 18-19-20.

Rev. J. D. Randolph of the Buchanan Street Methodist church anounces that the St. Joseph District Epworth League Convention of the M. E. Church South will be held with the Maryville church June 18-19-20.

Between 70 and 100 delegates are expected and the program to be presented by the best ministers and lay workers of the district will soon be ready for publication.

President Ira Richardson of the Northwest Normal will deliver an address the night of the 18th.

The welcome address will be given by Dr. R. A. Hamilton, the new osteopathic physician who has recently located here.

C. W. Meyer of St. Joseph is president of the convention, and Miss Blanche Whiteford of Guilford is district secretary.

There will be speeches by visiting young people and speakers of note from a distance.

NORMALS TOSS AWAY ANOTHER.

Poor Fielding by Locals Results in Defeat at the Hand of Tarkio.

"A comedy of errors" would be a very fitting for the performance staged at the Normal baseball field Thursday afternoon under the name of a baseball game in which the Normal team handed the game to Tarkio college because of erratic performance in the field. The final result of the agony was 8 to 2.

"Lefty" McDougal started on the mound for the locals and held the enemy safely the first round, but the Tarks counted four runs in the second frame on two hits and a number of errors by the home guard. The enemy got three more in the fourth and their last count in the seventh, all four of which were due to punk defensive work by the teachers.

The Normals had several swell chances to count early in the battle, but not until the eight inning were they able to register. Long, pinch-hitting for McDougal, delivered with a double in left, and he counted on Perrin's bingle to center. Perrin advanced to second on McKee's hit and scored a moment later when Adams hit safely through third. This was the extent of the Pedagogues' run getting. Wilson pitched the last inning for the Normals and was only saved from being scored on by a double play which he started himself.

Batteries: Tarkio, Hawthorne and Graham; Normal, McKee, McDougal and Wilson.

The commencement exercises will be held this evening at the Methodist church in that town. O. B. Whitaker, who represented Hickory county in the last legislature, will deliver the commencement address. The diplomas will be presented to the class by Superintendent H. H. Hankins of the schools of that town.

POLITICAL NOTES.

Score another point for the State Utilities Board. Up in Jackson county the telephone companies doubled the cost of toll services and placed an unnecessary burden upon thousands of patrons. A protest was filed with the board at Jefferson City. A prompt investigation followed and as a result the companies were forced to restore the old rates. Without the consent of this board, which was created by the Democratic legislature to take the place of the railroad and warehouse commissioners, no public service corporotation can increase its rates in Missouri. Its mission is to stand between the private citizen and corporate greed and it is going to save millions of dollars and get better service for the taxpayers of the state. The first month after its organization it collected almost enough money from Missouri corporations to pay the salaries of its members for one year.

Missourians are hereby authorized to take a day off and enjoy an old-time laugh over an effort that is being made to make them believe their state taxes will be raised on account of appropriations made by the recent legislature. It is a laughing matter because all Missourians, except those who inhabit the home for the feeble-minded, are wise to the fact that state taxes cannot be raised by legislative enactment or by any other method except a direct vote of the people. Besides, there will be ample revenues to pay all bills authorized by the legislature.

Mrs. A. W. Long and son, Roy Ellis, of Blanchard were city visitors Friday.

News of Society and Womens' Clubs

Here From Wyoming.

Mrs. Armonde Gill of Sheridan, Wyo., arrived in Maryville Thursday night on a visit to her mother, Mrs. Lillie Shelton. Mrs. Gill will be better remembered as Miss Bird W. Shelton. This is her first visit home since her marriage last June.

Thursday's Domino Party.

Mrs. D. R. Eversole won the prize at the Thursday afternoon domino party given by Mrs. A. B. Allen, Mrs. F. W. Crow, Mrs. M. L. Beattie, Miss Grems and Miss Louella Grems. Assistants to the hostesses were Mrs. Eversole, Mrs. O. C. Hanna, Mrs. J. C. Allender, Mrs. Charles Wadley, Mrs. J. J. Walsh of St. Joseph, Miss Grace Sturm, Miss Ruth Matter, Miss Marie Wells and Miss Marie Gayle Jackson. Mrs. George Jay of Shenendoah, who came to attend the parties as Mrs. Beattie's guest, returned home Thursday night.

Two Granddaughters Will Graduate.

Mrs. Richard Conway, living west of town, has just received an invitation to attend the commencement program of two of her granddaughters, Miss Besse Estelle Sechrist of Lawton, Okla., who will graduate in a class of twenty-three from the high school of that place. Their class motto is certainly worth mentioning, "Grammar is Our Failing." Miss Sechrist has quite a number of friends among the young people of Maryville, as she spent two summers at her grandmother's home, "The Cedars," and entertained her friends there. The other granddaughter who will be graduated in June is Miss Margaret Conway, daughter of Mr. and Mrs. Joseph Conway of Twin Falls, Idaho. Miss Conway is the class artist. Her class issued the annual, called "The Coyote," containing 111 pages, and the sketching she did for it is decidedly clever and artistic. She also has two poems in the annual, placed there by her instructors for their literary merit. Miss Conway has not visited Maryville since she was a little girl of eight years. Besides the two granddaughters to be graduated, Mrs. Conway has a great-niece in Kansas City who will graduate from one of the high schools of that city. She is Jessie Clayton Johnson, daughter of Judge James M. Johnson of the Kansas City Court of Appeals.

Entertained Art Club.

Mrs. S. B. Moody of Parnell entertained the members of the Art club of that place Thursday afternoon. Roll call was responded to with the name of a favorite hymn. During the afternoon, Mrs. H. O. Gray gave several piano numbers. Luncheon was served by the hostess. There were three out-of-town guests, Mrs. Ernest Hogg of Centralia, Kan., a sister of Mrs. Moody, Mrs. C. F. Joseph Hilgert Injured.

Joseph Hilgert, who formerly was a resident of Maryville, was severely injured in Tipton, Mo., Thursday. Today's Kansas City Times had the following: Joseph Hilgert was injured severely by a vicious horse at his home in Tipton yesterday. Tuesday the horse, which was considered a pet and had been owned by him for many years, kicked Hilgert severely on the arm. Last night the horse rushed at Hilgert with open mouth, grabbed him by the shoulder, shaking him, then flung him against the fence and ran off about fifty yards and fell dead. It is believed that the horse was suffering from hydrophobia. Hilgert is in a dangerous condition.

TO OPEN NEW DITCH.

Six Miles of the Nodaway Drainage Ditch to Be Lowered.

The Nodaway drainage board met in Burlington Junction Wednesday afternoon to consider a proposition from C. H. Sternberg & Sons regarding the six miles of new ditch which has failed so far to do its part towards making the water of the Nodaway follow a straight course, says the Burlington Junction Post.

The board is retaining $6,700 of the contract price until the new ditch will carry the water its entire length.

The Sternbergs proposed to lower the ditch to a normal stage by the use of dynamite if the board would pay them the amount being held up and an additional $250 to defray the expense which the work will involve and for which the district is responsible. The plan is to place dynamite in two rows in the bed of the ditch and the explosion of the first stick would discharge the rest. After carefully considering the proposition the board decided to accept if the contractors will guarantee to lower the ditch to the original grade, instead of the normal stage.

The part of the new ditch which has failed to give satisfaction extends from above the C. B. & Q. bridge north of Burlington Junction to the Carter farm three and a half miles south of town. The banks are sliding into the bottom of the ditch in places and should this continue much longer it will be almost impossible to open the new channel. It was thought that the high stage of the river this spring would throw sufficient water through the new ditch to open it, but this has not been successful.

Are Located at Seward.

A few former Nodaway county people were in the tornado that struck Seward, Nebr., Wednesday but all of them escaped with their life. Ten lives were lost, thirty injured and more than a third of the town swept away in the storm. The Nodaway county people located at Seward or near that town are: Frank Woods, brother-in-law of W. J. Falls of this city; David Carter; Harry Wray, brother of Verne Wray of Maryville; Mr. Smith, editor of the Seward Democrat, who is a son of Mrs. Smith of Pickering.

NEEDFUL KNOWLEDGE.

Maryville People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are many. Disordered kidneys often excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back may ache, headaches and dizzy spells may occur and the victim is often weighted down by a feeling of languor and fatigue. Neglect these warnings and there is danger. Delay often proves fatal.

You can use no better endorsed kidney remedy than Doan's Kidney Pills. Here's Maryville proof of their merit.

Mrs. C. McMonigal, 706 East Second street, Maryville, Mo., says. "I suffered for years from disordered kidneys and at times the pain in my back was so bad that I had to scream. I couldn't rest well and had dizzy spells Since I used Doan's Kidney Pills I have felt better in every way. I can certainly recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co. Buffalo, New York, sole agents for the United States.

POSTPONE PROBE INTO LABOR WAR

Kern's Resolution Fails to Come to Vote in Senate.

QUESTION TO COME UP LATER.

Debate Whether Governor His Right to Create Military Zone Grows Hot in Upper Chamber—Borah Denounces Action.

Washington, May 16.—The senate listened for an hour and a half to a discussion of the right of West Virginia's governor to establish a military zone in his state, to set up martial law there and to say that prisoners brought before the military tribunal, created by him, should be tried by it instead of in the civil courts. Senator Kern's resolution for an investigation of conditions in West Virginia coal fields, which brought forth the argument, failed once more to come to a vote, Mr. Kern and Senator Goff, the leaders of the fight, agreeing that it be laid aside temporarily, that debate on the question of tariff hearings might be continued. The resolutions come up again at the next session.

"Mother" Jones in Gallery.

When consideration of the resolution was continued, "Mother" Jones and a number of West Virginia labor union officials occupied seats in the senate gallery and followed closely the argument made by Senator Goff, who engaged in a spirited clash with Senator Borah, author of the original resolution of inquiry into the West Virginia situation, introduced at the last session.

The discussion concerned the authority of the governor of West Virginia to issue an order declaring martial law, which closed the civil courts and substituted therefor the court martial. Senator Goff maintained that this act was upheld by previous decisions of the supreme court of the United States and the supreme court of Pennsylvania.

"If in such cases," Senator Borah declared, "the governor of the state can close the doors of the courts and deny the right of trial by jury when the courts are able to proceed with cases under their jurisdiction and we the United States, are forced to sit idly by and see it proceed, we become Mexicanized in forty-eight hours."

Says Governor Has Right.

"If there is a state of insurrection," Senator Goff replied, "the governor has the authority to put the whole state under martial law, with the commander in chief to control it, by his own will. That is the law of war."

"There is not any power in this government," said Senator Borah, "to supplant the civil courts with military law."

FOR ARMED INTERVENTION

Missionary Says Uncle Sam Should Restore Peace in Mexico.

St. Louis, May 16.—"Armed intervention by the United States is the only thing, in my judgment, that will restore peace in Mexico," said Missionary R. P. Mahon of Morelia, state of Michoacan, Mexico, in an address before the Southern Baptist convention.

"I have been unable to return to my work in Mexico for the last two months on account of revolutions and revolutions against revolutionists. The country is in chaos and without the hope of getting together if led by any of its own people.

"A governor of a prominent state told me he hoped we missionaries would establish a school in every village and town in his dominion, as he believed the missionaries schools will redeem Mexico. The bible is not known to the common people of Mexico and many of the priests don't allow the people to read the bible."

TRAIN RUNS OVER CHILD ON TRACK; NOT HURT.

St. Joseph, Mo., May 16.—Although but four years old, Mary Whitten, daughter of Mr. and Mrs. Charles Whitten of this city, saved herself from death here by lying flat on the railroad ties when she saw a freight train approaching so rapidly that she was unable to jump from the track before being struck. The engine and twelve cars passed over her, but she received only a slight scalp wound.

Auto Craze Bankrupts Buggy Firm.

Kansas City, May 16.—To the growing popularity of automobiles, officers of the Columbus Buggy company ascribe the difficulties of their firm against which the People's State bank of Detroit, Mich., filed bankruptcy proceedings here. The company is capitalized at $125,000. The Detroit bank holds notes due against it to the value of $5,000.

Metal Plant Closed.

Buffalo, May 16.—The Crosby company, metal stamping works, locked out 1,000 machinists and closed down its plant because 200 pressmen, who struck Monday, picketed the works. The company issued a statement that it would not open its doors until the local labor difficulties were settled.

HEALTHY WOMEN SCARCE.

Is the Verdict of Scientific Investigation.

How many women do you know who are perfectly well, strong and healthy as a woman should be? They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and devitalized.

Women are so active nowadays, and so much is expected of them, that they constantly overdo and suffer from headache, backache, nervousness and kindred ills.

Such women need Vinol, our delicious cod liver and iron tonic without oil, which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Mrs. W. G. Ritchie, Patchogue, N. Y., says: "Vinol is certainly the best tonic I have ever taken. I was run down and tired all the time, but, thanks to Vinol, I am feeling all right again."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.—Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

FALLING HAIR.

Many People Have a Simple Way of Stopping It.

It was Dr. Sangerbond, of Paris, who first discovered that dandruff and falling hair were caused by a microbe.

And now that Parisian Sage, the remedy that kills the dandruff germ is sold in every town in America, the clean people of this country have awakened to the fact that dandruff is unnecessary; that falling hair and itching scalp can be quickly stopped, and that people who use Parisian Sage will never grow bald.

To every reader of the Democrat-Forum who wishes to eradicate disgusting dandruff, stop falling hair, and have an immaculately clean scalp, free from itchiness, we make this offer:

Parisian Sage is sold by druggists everywhere, for 50 cents a large bottle. It is an ideal, daintily perfumed hair dressing, free from grease and stickiness, and will cause hair to grow lustrous and luxuriant. Sold and guaranteed by the Koch Pharmacy.—Advertisement.

FRECKLES

Now is the Time to Get Rid of Those Ugly Spots.

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription othine—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of othine—double strength—from your druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful, clear complexion.

Be sure to ask for the double strength othine as this is sold under guarantee of money back if it fails to remove freckles.
